Weekly Update 19.06.2026

School website: https://www.legsbyschool.co.uk/

Dear Parents/Carers,

It has been an exciting and busy week in school this week. Children have enjoyed taking pride in their school and have worked incredibly hard to improve the outside space. Areas have been tidied, flower beds weeded and even some planting has taken place. We want to say an enormous thank you to the children for all their hard work but also to the adults who have supported them.

Yesterday, we were fortunate to attend the Lincolnshire Show to learn about our farming community. The sun shone and children and adults alike had a fantastic day. Particular highlights included seeing the animals, scaling the climbing wall and cooling down with an ice-cream. Children enjoyed every minute and were incredibly well behaved. They represented Legsby beautifully, with a number of stall holders commenting on their behaviour and exemplary manners. We are very proud of them.

In addition, we are also aware that a number of our children were successful in the show's bee art competition! We have yet to receive the final certificates and awards but wanted to acknowledge how well they have done.

Success in the Market Rasen Lions' Planters Competition:

We are delighted to share the wonderful news that Legsby School has won **first place in the Hanging Baskets category** of the Market Rasen Lions' Planters Competition!

The judges praised all the schools that took part this year, commenting on the outstanding colours and variety of plants on display. They particularly enjoyed seeing photographs of the children raising plants from seeds and plugs and nurturing them into mature plants, as well as the informative posters describing the plants and their uses.

We are incredibly proud of our pupils for their enthusiasm, hard work and care in creating such a beautiful display. A special thank you goes to **Mrs Foster**, whose support and dedication in leading this project with the children helped make this achievement possible.

We would also like to thank the Market Rasen Lions for organising the competition and for their continued encouragement of local schools. We look forward to hearing about next year's competition when details are released in January 2027.

Congratulations to everyone involved in this fantastic achievement!

Please don't forget our Sports Day on Monday afternoon. Also our meeting about our **'Exciting Plans for the Future of Legsby School'**

We would like to warmly invite all parents and carers to join us for a meeting at school at **3:30pm on Tuesday 23rd June**, where we will share our exciting vision for the future of Legsby School.

How to Report and Block when Online

Helping children stay safe, kind & confident online.

As young people spend time online playing games, chatting with friends and using social media, most of them will have positive experiences, but sometimes they could encounter behaviour or content that is worrying or upseting.

What types of content can be reported and blocked?

- Mean or hurtful messages.
- Inappropriate content
- Strangers trying to contact them.
- Bullying or unwanted attention.
- People who behave aggressivley.
- Accounts which appear fake.
- Other players trying to scam them or hacking in a game.
- Anything which makes them feel uncomfortable.

Showing your child how to report and block people who behave in this way is an important skill which will help them stay safe. .

Where to go for support

internet matters.org

https://www.internetmatters.org/report-issue/

Why does reporting and blocking matter?

- Reporting helps platforms take action and keeps others safe too.
- Blocking is quick, effective and stops further contact immediatly.

How can parents help?

- Check privacy and safety settings
- Talk regularly, letting them know they will not get into trouble for speaking to you.
- Find the report and block buttons together and practice using them
- Use parental controls to filter content, monitor activity and restrict who can contact your child

Encourage confidence by:

- Reassuring them its ok to report and block, its there to help.
- Reminding them not to reply to hurtful messages.
- Asking them to talk to a trusted adult.

Remind children not to share private information online and model healthy digital behaviours yourself.
