Legsby Primary School

Weekly Update 04.09.2026

School website: https://www.legsbyschool.co.uk/

Dear Parents/Carers,

Welcome Back!

We have had a wonderful first two days back at Legsby. The children have returned full of energy and enthusiasm, along with their usual wonderful manners, and it has been a real pleasure to welcome everyone back into school.

Our new Reception children have been enjoying their first days with us and have settled in incredibly well.

This year, our classes have been given new names:

- **Explorers** – Reception to Year 2, with Mrs Weeks and Mrs Jackson
- **Discoverers** – Years 3 to 6, with Miss Moore and Miss Vout

We are very much looking forward to welcoming Miss Moore as she begins teaching with us in Discoverers on Monday. We know that she is excited to get to know the children and become part of the Legsby team.

Summer Improvements

We are delighted with the improvement works completed during the summer holidays, including the fencing of the entire school perimeter. We are so pleased with the finished result and with how this additional layer of security will support us in ensuring that every child remains safe while at school.

It has been a truly positive start to the term. We are really looking forward to beginning this new school year together and to sharing all the learning, achievements and special moments that the year ahead will bring.

Thank you, as always, for your continued support.
